

Mr. McCullough joined IBM Canada in 1979 and has progressed through a series of positions in sales and marketing management.

He assumed the role of Business Unit Executive in the Public Sector in 1999, with specific responsibility for Services and Solutions in the Public Safety and Defence sectors.

Since September of 2001 he has focused on solutions that address the many challenges to the safety of Canadians. He is active in the industry and has presented at events such as the Canadian Association of Chiefs of Police(CACP) and the Canadian Association of Police Boards(CAPB). He currently serves on the National Board of the Canadian Association of Defence and Security Industries(CADSI).

His positions prior to this were:

- Director, Business Process Re-engineering 1996 - 1999
- National Sales Manager - RS/6000 Business Unit 1994-1995
- Regional Manager - Atlantic Provinces 1992-1994

Mr. McCullough holds a BSc.(Physics) from the University of Waterloo and a Masters in Business Administration from McMaster University.
