Profession Data: Charles E. Percy

Managing Director & CEO, Methanex Trinidad Limited

Charles Percy is the Managing Director and CEO of Methanex Trinidad Limited, local subsidiary of Methanex Corporation – the world’s largest manufacturer and supplier of methanol to major international markets. He assumed this leadership position with effect from May 1, 2006.

His distinguished career spans over 28 years in the Trinidad and Tobago’s Energy Sector, with leadership positions at BP Trinidad and Tobago LLC and Hydro Agri Trinidad Ltd (now Yara Trinidad Ltd.)

He has served as President of the Board of the Atlas Methanol Company – a joint venture of Methanex and BP, and is a Director on the Board of Point Lisas Industrial Development Corporation - a world-class facility, covering 860 hectares and representing an investment of over US \$5 billion by operating petrochemical, and power companies on the estate.

Mr. Percy is also into his second term as president of the STCIC – the “Energy Chamber of Trinidad and Tobago”, whose membership represent the leading Energy sector companies in that country.

He also has a track record of success in leading cross-functional teams in project and strategic business management, and organizational development, and holds a Bachelor of Science in Electrical Engineering and an Executive Masters of Business Administration.
